

16 September 2011

Dear Parent/Carer,

Year 10 Promoting Success Evening – Tuesday, 27th September 2011 7p.m. – 8p.m.

As Year 10 students embark on their exam courses a “Year 10 Promoting Success Evening” has been designed to outline the new changes to assessment and to provide parents with information that will help them support their child.

The evening will give information on the following:

- Important Diary Dates
- Raising Achievement Programme
- Controlled Assessments
- Modular Tests
- Plan-it (a programme that supports students through school to further education or employment)
- Work Experience
- Target Grades

I look forward to meeting you at the evening.

I have also enclosed a copy of the Academic Review sheet that your son/daughter completed at the start of term. The targets set by them will be reviewed before the end of this term.

Yours sincerely

Tim Naylor
Head of Learning Year 10
