

9 September 2011

Dear Parent/Guardian,

**Year 7 Raising Achievement Evening – 14<sup>th</sup> September 2011 - 7.00pm - 7.45pm**

An invitation to help support your child.

You are invited to attend Mount Grace School's Year 7 Raising Achievement Evening at 7.00 pm on the 14<sup>th</sup> September 2011 in the school hall.

We consider the evening to be vital as we will give you information on the following:

- Homework and assignments on the school's internet link
- Maths and Homework
- Accelerated Reader including Lexia and English
- Attendance and Behaviour
- Target setting and how to achieve targets

Mount Grace School has embraced the idea that literacy is the key to success. We actively encourage our youngsters, whenever possible, to read in order to support their learning.

A section of the Year 7 Raising Achievement Evening this year is designed to provide parents with an understanding of the school's policy on being an 'Accelerated Reader'. We will demonstrate the expectations that are placed on our students in school and at home. This will put you in a stronger position to support your son/daughter in their learning.

After the Raising Achievement Evening the Mount Grace Parent Teacher and Friends Association invite you to join them in the school from 7.45 p.m. for refreshments. You are an automatic member of the P.T.F.A. when your child enters the school. The Association supports the school by organising many social activities that are great fun and raise funds for the school. The Association has provided the school with a new £15,000 minibus.

We look forward to seeing you there as this represents the support you are giving your child and the school.

Yours sincerely

**Mr Y Bhura**  
**Head of Learning Year 7**
