

2 November 2011

Dear Parent/Carer

Please be reminded that there are Maths Modular Retake exams and Maths Linear exams in November.

9 th November	1.30pm	Modular 1 Retake
9 th November	1.30pm	Linear
14 th November	9.00am	Linear

Pupils who are sitting a public exam are given the session prior to the exam off school to prepare.

In this case pupils who are entered for an exam on Wednesday 9th November may arrive in school at 1.10pm to sit the exam at 1.30pm.

A similar situation will arise in January for Science and English but I will inform you of these closer to the time.

Yours sincerely

H. P. Marshall
