Dear Parent/Guardian

Year 10 Work Experience Parents Information Evening
Thursday 3rd November 2011 6.00pm to 6.45pm

As part of the process of arranging the work experience placement part of your child's careers education programme, we will be holding a parents information evening at the school on Thursday 3rd November. We invite you to attend to find out more about the placement types available and the processes we will be using to organise our work experience programme.

It is important to attend in order to collect information that will enable you to support your child through the compulsory work experience programme. If for any reason you are unable to attend, could you please let us know by calling 01707 655512 ext 262 and we will arrange for any information handed out during the evening to be sent to your child through their form tutors.

Yours sincerely

Nancy Simpson
