

27 September 2011

Dear Parent/Carers

Please find attached a list of important assessment dates and deadlines that will affect your son/daughter over the Academic Year 2011-12.

I have tried to make the list as comprehensive as possible though it is possible that some dates may change slightly or be added to over the year – these amendments will be posted on the school website as soon as they are known.

As you can see there is hardly a week without an important date so it is vital that pupils keep up to date with all their tasks and revision. Full attendance at school is also paramount as missed lessons will impinge on preparation time for controlled assessments, coursework and exams.

Please ensure that your son/daughter highlights all the dates relevant to them and that this document is then displayed in a prominent place to continue to remind them of these important dates.

I also attach a list of coursework/catch-up sessions which are current running to support students with their studies.

Yours sincerely

Mrs H Marshall
Head of Learning
