# What is *PLUSBUS*?

*PLUSBUS* is a new ticket that provides you with a simple, easy-to-use, bus add-on to your rail ticket and lets you travel on most buses within the local *PLUSBUS* area as many times as you like.

It's quicker and cheaper than stopping to buy tickets for each leg of your journey.

Buy your *PLUSBUS* ticket in advance from any rail station. No more queues, simply show your ticket on the bus and off you go!

## How does it work?

The cost of the *PLUSBUS* ticket will be the cost of the rail ticket plus an additional amount for each day of bus travel. It's simple and saves you money compared to the cost of multiple bus journeys.

Buy your ticket in advance, and then you can use it to catch a bus to the station to begin your journey.

*PLUSBUS* can be purchased with Single, Day Return, all types of period returns and rail Season tickets. All season tickets with *PLUSBUS* allow unlimited bus travel in the local area for the whole period of your rail ticket.

However, *PLUSBUS* tickets can't be bought with rail tickets for train journeys which are entirely within one *PLUSBUS* area. Check that you can use *PLUSBUS* before you travel by visiting [www.intalink.org.uk](http://www.intalink.org.uk) or [www.plusbus.info](http://www.plusbus.info)
