

March 2008

To All Year 12 and Year 13 Students taking public examinations in 2008

Provisional Statements of Entry and draft timetable:

Please find enclosed a provisional Statement of Entry and a draft timetable for your examinations this summer.

Please check ALL the details on your provisional statement of entry carefully. If there are any errors or omissions, please see Mr Littlefair or Mrs Massey in the Examinations Office immediately. Please check that your name (under “Name on Certificates”) and date of birth are correct. This is the information which will appear on your examinations certificate.

Please note that the cost of each examination varies between £12 and £40 for each unit. Late entries and amendments attract additional fees, which may be passed on to candidates. If you do not attend any paper without good reason, the school reserves the right to charge that amount in full and to withhold certificates if payment is not forthcoming.

The Draft Timetable should allow you to plan your revision programme over the holidays. Again, please let us know as soon as possible if there are any errors or clashes on this.

Yours sincerely

P P Littlefair
Examinations Officer

DRAFT Y12 and Y13 Exam Planner – Summer 2008

Morning (8.45am)	DATE	Afternoon (1.15pm)

NOTES:

1. Examinations will begin promptly at the times stated in the timetable.
2. Attendance registers will be kept for all examinations. There will be a short delay at the start of all examinations to ensure that all candidates are seated correctly.
3. You must not take any unauthorised material or equipment into the examination room. **MOBILE PHONES** must be left outside the examination room. **Failure to do so will result in disqualification.**
4. You must not communicate with or disturb other candidates at any time during an examination.
5. Some afternoon examinations will continue after 3pm.

March 2008

To All Students sitting Public Examinations Summer 2008 and their Parents/Carers

Dear Students, Parents and Carers

Examination Procedures – Mobile Phones and Other Equipment

The Public Examination Boards have made it very clear to Examination Centres that any candidates found with mobile phones or other electronic devices on their person will be automatically **disqualified** from that examination. There are no exceptions to this rule. Therefore, all students will be required to leave their phones and other electronic devices in Reception before each examination and collect them afterwards. They will be provided with a named A5 envelope to put the item(s) in. If students wish to use this system, they should arrive 10 minutes early to each exam to allow time to hand their equipment in. Mount Grace School can accept no responsibility for items left in Reception and students may feel the wiser option is to leave them at home.

All students should arrive in good time for their examinations in order to check the seating plan.

Whilst writing, we would remind students that they should bring all necessary equipment for each examination (pens, pencils, calculators etc as appropriate) in a clear plastic bag or pencil case. No other bag/pencil case will be permitted in the examination hall.

Yours faithfully

P P Littlefair
Examinations Officer

February 2008

Re: Dates for the publication of GCE examination results

The results for the above exams will be published on the following date:

GCE Results

Thursday 14 August 2008

The results can be collected from the main office at school between 11.00am and 1.00pm on the morning of their publication.

If students are away on these dates but would like their results to be collected by a parent/guardian/relative or friend, the parent/guardian of that student must send a supporting letter into the school. Please include a contact number with this letter.

Results not collected on results day will be posted to students' home addresses on Friday morning.

Please note results cannot be given over the phone.

Can we also remind students that **ALL** textbooks must be returned to school by the end of June 2008. Any outstanding books must be brought in on the morning of the publication of the examination results.

The school reserves the right to withhold certificates, if all textbooks have not been returned.

If there are any problems please contact the school as soon as possible.
