Department guidance for parents:

You can help by encouraging your child:

- to revise and consult class work prior to doing the task.
- to do the task suitable to their level.
- to learn key vocabulary.
- to present their work neatly.

General guidance for parents

You can help by:

- listening to your child reading aloud or practising dialogue in French
- encouraging your child to use a range of sentence structures.
- helping your child to be creative.
- ensuring time is spent researching, developing, drafting, reviewing and producing homework to the best standard possible.
- making sure work is handed in by the deadline.
- noting at the end of the homework any problems experienced.
- checking there is no plagiarism, i.e. downloading/copying from the internet or books.

Please do not:

- do any part of the work for your child
- give extensive guidance; the student must be able to understand the task for themselves and teachers understand what students can/cannot do.
