The aim of this assignment is to get students to research into their chosen artist/band and to think about the design aspect of getting information over to an audience in an interesting way.

We do expect students to be looking at existing websites and how they appeal to their intended audience.

**General guidance for parents**

You can help by:

- Ensuring at least 3 hours are spent researching, developing, drafting, reviewing and producing homework to the best standard possible.
- Making sure work is handed in by the deadline.
- Noting at the end of the homework any problems experienced by the student.
- Checking there is no plagiarism, ie, downloading/copying from the internet or books.

Students should read the material, make bullet points, write rough notes in their own words, draft and then develop these notes in their own words into their final piece. Plagiarism leads to coursework being disqualified at GCSE/A level. Plagiarised work will not be accepted by teachers.

Please do not:

- do any part of the work for your child
- give extensive guidance; the student must be able to understand the task for themselves and teachers understand what students can/cannot do.
