

16th October 2007

Dear Parent/Carer,

Breast Cancer Campaign is the only charity that specialises in funding independent breast cancer research through the UK. Their research looks at improving diagnosis and treatment, better understanding how breast cancer develops and ultimately either curing the disease or preventing it.

October is the national 'Breast Cancer Awareness month'. As part of this they are asking everyone to 'wear it pink' for a day during this period.

Mount Grace is proud to be supporting this worthy charity. The day which we have designated for 'Wearing Pink' is Friday the 19th October. We will be asking each student to donate at least £1 each, so the Charity can continue researching the cure for breast cancer.

You can wear pink socks, wigs, hats, nail polish etc. Let your pink imagination go wild.

Last year, schools alone raised just over £400,000 for the charity. They are hoping to beat that record and Mount Grace would like to play a big part in this role.

Thank you.
