

Date: 10th January 2008

Dear Parent/Carer

You are probably aware that we have been unable to provide hot meals for the students and staff this week due to an unfortunate problem in the canteen. Due to the dedicated efforts and hard work of HCC canteen staff, our site team and the staff from Ridgeway Cleaning Contractors the Environmental Health Inspector has given the all clear for our new Catering to be launched on Monday 14th January.

I would like to apologise for this unfortunate start to the term but can assure you that the launch of the new service will give your child a wide variety of hot and cold healthy food which I hope they will all take advantage of. Please ensure that they have their swipe card in credit with them each day.

Thank you for your understanding and hope you will encourage your child to purchase their food from the canteen at break and lunchtimes. I am confident they will be pleased with the new service and the wide range of food offered.

Yours sincerely,

Peter Baker
Headteacher
