

Mount Grace School
Committed to Excellence

Dear Year 11 Parent/Carer,

Re. Post-16 Information Evening Wednesday 10th November 2010

You and your son/daughter are invited to attend the Post-16 information evening on Wednesday 10th November from 6.00 – 8.00pm. **Please note**, that this is a change of date from some earlier correspondence.

The evening is an opportunity to become more familiar with and consider, with your son/daughter, the range of options available to them once they have completed their GCSEs/BTECs this academic year. The event will provide information about the subjects available and how to apply to the Mount Grace School and Consortium 6th form, as well as information about other options for young people post-16 years.

The evening will begin with information about the Mount Grace School/Consortium 6th form, including entry requirements, getting financial help with studying post-16 and an opportunity to talk to teachers in all the subject areas to discuss the A' Level and BTEC courses in more detail. Parents/carers and students can then choose to attend **two** of a possible three workshops on offer, according to what is most relevant to their future planning. The choice of workshops are:

- Apprenticeships
- Studying at college, including The Diploma
- Progression to University

The schools' Youth Connexions advisor, Cath Paget, will also be available on the evening to help with more specific career advice.

In order for us to plan effectively for the event, please return the slip below to reception by Thursday 21st October, indicating which of the workshops you would like to attend on the evening.

Yours Sincerely,

Mr T Naylor
Head of Year 11

Post-16 Information Evening Wednesday 10th November 2010

Parent name (s): Student name:

I would like to attend the following **two** workshops at the post-16 information evening:

Apprenticeships		Studying at College		Progression to University
