

Mount Grace School
Committed to Excellence

Dear Parent/Carer,

Please find enclosed your son / daughters recent examination results.

These scores will go towards the results of their GCSE / Btec subjects due to be completed in the summer.

I have overleaf enclosed a copy of the DRAFT examination timetable for the Year 11 students. Please note that whilst we are reasonably confident that there will be very little change from what is proposed, we cannot guarantee that there will be not be any changes made by the exam board until students receive their official exam entries.

I can also confirm that students will be starting their study leave on **Friday May 13th**. After this date students will only need to attend school for their individual examinations and should continue with their revision at home.

You will receive details later outlining exam requirements.

I hope that the students will make good use of the time available to them. I am hopeful that when they arrive to collect their results in August they will see the results of their hard work.

Diary Dates:

May 13th – **Last day of year 11**
July 5th – **Graduation Ball at Forty Hall Enfield**
August 25th – **GCSE results issued to students**

Yours Sincerely

Tim Naylor
Head of Yr11
